February 23, 2023

### **Board Memo 014-2023: PostalEASE Disabled External Use**

#### **Executive Board,**

PostalEASE has experienced a few issues recently, and the USPS responded on 2/14, “the ability for employees coming in externally into the PostalEASE self-service application to make any change to their Net-to-Bank and Allotment information was disabled. The functionality shut down externally is available if accessed internally. Employees can still see their current Net-to-Bank and Allotment selections. Every other functionality is available and unchanged. HRSSC also can make these changes for employees through the PostalEASE HR module. Currently, there isn’t a projected date for when this issue will be resolved, but we will communicate back as soon as we are notified.

Please share with your membership.

Thank you, and be safe.
