Dear Mr. Butts:

Pursuant to our discussion on Monday, April 3, the Postal Service will increase the annual leave carryover maximum for career non-bargaining employees by 80 hours for leave year 2023. The maximum carryover for annual leave will be 640 hours.

In addition, the maximum amount of annual leave that may be exchanged by career non-bargaining employees will be increased. The maximum annual leave that can be exchanged as part of the Annual Leave Exchange (ALE) Program is 128 hours. This maximum will be increased by 40 hours, to a maximum of 168 hours for leave year 2023.

The 560 hours annual leave carryover limit and the 128 hours annual leave exchange limit will return for leave year 2024.

Please contact me with any questions regarding this matter.
