Board Memo 026-2021 NAPS Receives Initial USPS EAS Pay Proposal for Field EAS Employees

Executive Board,

On April 22, 2021, under Title 39, US Code Section 1004, the National Association of Postal Supervisors (NAPS) received the US Postal Service's initial EAS pay and benefits proposal for Field EAS employees through May 20, 2023.

Over the course of the next 90 days, the parties will discuss changes to pay policies, schedules and fringe benefit programs covering Postal Service supervisors, managers, support and technical specialists and others covered by the Executive and Administrative Schedule and represented by NAPS. The pay and benefits consultation process is governed by federal law under Title 39 U.S.C. §1004 and permits NAPS to provide responses and proposals to the Postal Service for its consideration before the USPS arrives at a final EAS compensation package.

NAPS is closely evaluating this initial EAS pay proposal. Details of the USPS pay package proposal remain confidential during the course of the USPS/NAPS consultation process. Please share this Memo with your respective membership.

Thank you.
