SUBJECT: Supervisor Timecard Administration

The Time and Attendance Collection System (TACS) is the primary application for the collection of Postal Service employee time and attendance data. Supervisors are generally categorized as special exempt employees according to the Fair Labor Standards Act. Special exempt employees do not receive overtime but are eligible for extra straight time pay for extra hours worked.

It is critical that leadership ensures the accuracy of their supervisors' recorded workhours. In addition, all supervisors must adhere to their work schedules and record all hours, to include any extra hours worked.

Please ensure that documentation for timecard adjustments and supervisors working extra time is complete and recorded in TACS appropriately.

Our people are our greatest asset and together we will provide an engaging workplace that supports appropriate pay for actual hours worked.

Thank you for your continued support.
