Dear Ivan:

This is in further reference to the Postal Service's correspondence dated August 9 (enclosed) regarding the Postal Service's partnership with the Department of Labor (DOL) to provide In-Person Proofing (IPP) to customers.

DOL IPP services are an additional means of conducting the identity verification some states perform in administering Unemployment Insurance (UI) benefits. This walk-in service allows customers who are unable to verify their identity online to visit the identified sites and use the DOL IPP. This partnership provides an efficient, economical and secure structure to support DOL's needs.

As previously explained, retail employees use the Retail Systems Software (RSS) terminal to enter and verify the customer's information. The customer provides an acceptable form of primary identification and may be required to provide an acceptable secondary form, if needed.

The Postal Service is expanding the DOL IPP service to RSS locations nationwide beginning October 16, retail employees will be trained prior to the start date.

Enclosed on compact disc (CD) are the following documents:

- DOL IPP Service Talk, September 2023
- List of expansion sites by Area, District and Facility Name, Address, State and Zip Code

Please contact Dion Mealy at 202-507-0193 if you have any questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Shannon Richardson".

Shannon Richardson
Director
Contract Administration (APWU)

Dear Ivan:

This is in further reference to the Postal Service's correspondence regarding the Postal Service's partnership with the Department of Labor (DOL) to provide In-Person Proofing (IPP) to customers. The most recent correspondence was dated June 9. The Postal Service plans to expand the locations where the DOL IPP service is offered.

DOL IPP services is an additional means of conducting the identity verification some states perform in administering Unemployment Insurance (UI) benefits. This walk-in service allows customers who are unable to verify their identity online to visit the identified sites and use the DOL IPP. This partnership provides an efficient, economical and secure structure to support DOL's needs.

As previously explained, retail employees use the Retail Systems Software (RSS) terminal to enter and verify the customer's information. The customer provides an acceptable form of primary identification and may be required to provide an acceptable secondary form, if needed.

The DOL IPP is being expanded to RSS locations in 15 states, beginning August 18. Retail employees will be trained prior to the launch date.

Enclosed on compact disc (CD) are the following documents:

- DOL IPP Pilot Launch Service Talk
- List of expansion sites by Area, District and Facility Name, Address, State and Zip Code

Please contact Dion Mealy at 202-507-0193 if you have any questions concerning this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Richardson", written over a horizontal line.

Retail Service Talk

September 2023

Department of Labor (DOL) In-Person Proofing (IPP)

Effective October 16, 2023, the USPS in collaboration with Department of Labor (DOL) will be expanding In-Person Proofing (IPP) services for customers at all 18,000 retail locations nationwide. DOL IPP serves as an additional means of conducting the identity verification states perform in administering Unemployment Insurance (UI) benefits. This new service will allow USPS to become the trusted go-to provider for customers who are seeking to use DOL IPP and are unable to verify their identity online.

DOL customers may receive In-Person Proofing at any USPS RSS retail location **with no appointment needed or transaction payment**. Customers are expected to provide one (1) original and non-expired acceptable form of Primary Identification (ID):

- State Driver's License
- State Non-Driver's Identification Card
- Uniformed Services Identification Card (requires secondary form of ID)
- US Passport (requires secondary form of ID)

Note: Address on customers photo ID **must match the address provided to DOL**, and photo ID must be **current**. Customers must present a non-expired photo ID to perform identity verification.

If the address on photo ID does not match, or are using an approved ID without an address, customer must present a secondary ID containing the address provided to DOL **in addition** to the photo ID.

- Lease, Mortgage, or Deed of Trust
- Voter Registration
- Vehicle Registration Card
- Home or Vehicle Insurance Policy

Users not familiar with the In-Person Proofing process, can refer to the [IPP RSS user guide](#) that includes step-by-step instructions.

Employees may access additional training material on the Chief Retail and Delivery Operations (CRDO) Resource Library. The Retail & Post Office Operations team will also offer Learn and Grow informational sessions in September and October 2023.
