Dear Ivan:

This is in further reference to the Postal Service's prior correspondence on the implementation of Sorting and Delivery Centers (S&DCs), Network Optimization and the Plant Modernization Plan, consistent with the Postmaster General's 10-year plan, *Delivering for America*.

As part of Regional Processing and Distribution Centers (RPDCs) integration, the Postal Service intends to establish transfer hubs to process packages and cross-dock packages, letter and flat volume for downstream post offices and delivery units. Below is a list of the RPDCs and their supporting transfer hubs that will be established in post offices, including S&DCs:
