Dear Ivan:

This is a follow up to the June 14, notification wherein you were notified that the Postal Service was conducting a pilot entitled *Scanning Integrity*.

Please be advised that due to unforeseen scheduling conflicts, the duration of this pilot will be extended through August 7 in the Southwest Carrier Annex facility (Illinois 1 District). This extension will ensure the necessary support is provided to this test site.

The pilot test will still occur as scheduled in the other 3 facilities.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "David E. Mills".
