

March 9, 2023

Mr. Ivan D. Butts  
President  
National Association of Postal Supervisors  
1727 King St., STE 400  
Alexandria, VA 22314-2753

**Certified Mail Tracking Number:**  
7020 3160 0002 0327 4241

Dear Ivan:

This letter is in further reference to previous notices regarding the Postal Service's partnership with the General Services Administration (GSA) and Federal Bureau of Investigation (FBI) to provide various biometric services. The most recent correspondence was dated February 7 (enclosed).

The Postal Service is expanding this program to 400 additional sites this month.

As previously informed, the Postal Service deployed new technology, called the Electronic Biometric Identity Services (EBIS), which consolidated biometric capture, in-person proofing, and personal identity verification (PIV) transactions into one platform. The various services are planned to be incorporated into EBIS in phases. The recent update replaced the laptops currently in use with new Enterprise Biometric Identity Services (EBIS) equipment in the existing FBI Identity History Summary Check (IdHSC) fingerprinting sites.

Enclosed is a list of the next 400 FBI IdHSC sites to receive the new EBIS devices and a copy of the Retail Service Talk, Enterprise Biometric Identity Services (EBIS) Deployment, installation and training of the new devices will take place throughout the month of March and the equipment is tentatively expected to be ready for use in early April.

Please contact Dion Mealy at 202-507-0193 if you have any questions concerning this matter.

Sincerely,

Shannon Richardson  
Director  
Contract Administration (APWU)

Dear Ivan:

This letter is in further reference to the notice dated January 9 (enclosed), regarding the Postal Service's partnership with the General Services Administration (GSA) and Federal Bureau of Investigation (FBI) to provide various biometric services. The Postal Service is expanding this program to 100 additional sites this month.

As previously informed, the Postal Service deployed new technology, called the Electronic Biometric Identity Services (EBIS), which consolidated biometric capture, in-person proofing, and personal identity verification (PIV) transactions into one platform. The various services are planned to be incorporated into EBIS in phases. The recent update replaced the laptops currently in use with new Enterprise Biometric Identity Services (EBIS) equipment in the existing FBI Identity History Summary Check (IdHSC) fingerprinting sites.

Enclosed is a list of the next 100 FBI IdHSC sites to receive the new EBIS devices and a copy of the Retail Service Talk, Enterprise Biometric Identity Services (EBIS) for those employees. Deployment, installation and training of the new devices will take place throughout the month of February and the equipment is expected to be ready for use by February 28.

Please contact Dion Mealy at 202-507-0193 if you have any questions concerning this matter.

Sincerely,

Shannon Richardson  
Director  
Contract Administration (APWU)

## Retail Service Talk

March 2023

### Enterprise Biometric Identity Services (EBIS)

The Postal Service is launching new technology to support biometric services for various government agencies. In August 2022, ten (10) offices were the first sites to implement the FBI Identity History Summary Check (IdHSC) fingerprinting process on the EBIS equipment for customers (Phase 1). In January 2023, the Postal Service replaced equipment at the 181 existing FBI IdHSC fingerprinting locations (Phase 2), followed by deployment to additional 100 sites in February 2023 (Phase 3). The Postal Service will continue to deploy EBIS equipment to select Passport locations nationwide in March 2023.

The next 400 EBIS devices will ship beginning the week of March 6, 2023, Priority Mail with Signature Confirmation. EBIS Information Sessions, and Open Line opportunities will be offered throughout the month of March. Site and support personnel are **required** to attend at least one of the Information Sessions.

**EBIS Information Sessions:** Overview of EBIS program, equipment, and setup procedures.

**SCHEDULE:** TWO (2) SESSIONS **EVERY THU**, 10:30 AM – 12 PM AND 3:00 PM – 4:30 PM (EST)  
ONE SESSION EVERY TUE, 11:00 AM – 12:30 PM (EST)

**EBIS Open Line:** Opportunity to ask questions, obtain live assistance with setup, provide feedback. Participants may enter / exit this call at any time during the live hours of operation

**SCHEDULE:** **EVERY WED**, 1:00 PM – 2:00 PM (EST)

Retail Operations and the EBIS Development team will offer support for sites with equipment replacements scheduled. HERO training for the EBIS equipment is currently in development and will be available to fulfill training requirements soon.

In the future, all identity business service transactions, Biometric Capture, In-Person Proofing, and Personal Identity Verification (PIV), will be consolidated under one EBIS platform, with additional services implemented in a phased approach. EBIS will be configurable for different government agencies' requirements, removing the need for multiple platforms and equipment to process these types of transactions.

For detailed information, please review the Standard Work Instructions (SWI), User Guide, and previous training recordings. All training material is available in the CRDO Resource Library.
