Mr. Ivan D. Butts
President
National Association of Postal Supervisors
1727 King Street, Suite 400
Alexandria, VA 22314-2753

Dear Ivan:

This is in reference to the February 10 notification relating to the Enterprise Resource Management System (eRMS) Injured on Duty (IOD)/Continuation of Pay (COP) enhanced function. Specifically, improving related entries, automatically generating messaging for Supervisor action needed, and eliminating delays in leave transfer with a job-related absence.

The IOD/COP enhanced function is on hold due to restructuring of the eRMS data base. When the eRMS data base restructuring is complete and the IOD/COP function can be implemented, the union will be notified.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "James Lloyd".
