Dear Mr. Butts:

As a matter of general interest, the William F. Bolger Center in Potomac, MD and the National Center for Employee Development (NCED) in Norman, OK are returning to full capacity training classes and facilities.

Effective immediately, all maintenance craft classes offered at NCED will accommodate full participant schedules. Starting in May, our field career conferences will be returning to a full schedule.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "David E. Mills".
