Postal Service Reform Act Overview

The Postal Service Reform Act of 2022 mandated the implementation of the Postal Service Health Benefits (PSHB) program. The PSHB is a new plan administered by the Office of Personnel Management (OPM), which will provide health insurance to Postal Service employees, Postal Service annuitants, and their eligible family members starting in 2025. The PSHB plan is within the Federal Employees Health Benefit (FEHB) Program.

Key PSHB Highlights:

- All participants will transition to the PSHB plan
- PSHB plan carriers will be identified in FY24
- Voluntary Medicare integration opportunity for existing retirees will occur FY24
- All employees and annuitants/survivors will be required to make a PSHB enrollment election during FY25
- PSHB plan enrollment will transition from PostalEASE to a central enrollment platform (CEP) administered by OPM

USPS: PSHB ROADMAP – 12/27/2022

 USPS Tasks/Activities
★ Key decision points

PSRA/PSHB Implementation – Next Steps

- Coordinate launch of Employee and Annuitant initial “Fact Sheet” communications
- Future State Enrollment – PSHB System
 - A centralized enrollment will be implemented by OPM
 - USPS and OPM continue to work on connectivity options and technical requirements
 - Test data file requested by OPM
- Policies and Regulations
 - USPS drafted internal policies relating to annuitants living abroad, under Legal review
 - Determine Medicare compliance and on-going monitoring
- PSHB Education and Training
 - In process of developing education and training artifacts and communications
 - Work with OPM and Unions on Education for PSHB and SEP education and communications

How Can We Work Together?

- Continue to collaborate on Employee and Annuitant communications
- Present at union events/conferences
- Coordinate the dissemination of USPS Education and Training materials to union members
- Emphasize and encourage Employees and Annuitants to maintain up-to-date mailing addresses
