SUBJECT: Postal Service Telework Policy

As a result of the uncertainty with COVID-19 "Delta Variant," we are extending the return to work date until October 12, 2021. Officers, Executives, and Pay Band Employee are expected to continue to report to their duty station as scheduled. We will continue to monitor the situation and evaluate our Telework Contingency policy as it pertains to our overall return to workplace strategy.

Telework for bargaining unit employees will be governed by the current Memoranda of Understanding (MOUs) on Telework. Any modification to the existing bargaining unit telework MOUs will be determined through negotiation with our union partners.

Questions regarding this memorandum should be directed to Joseph R. Bruce, Senior Director, National Human Resources, at joseph.r.bruce@usps.gov.
