Mr. Ivan D. Butts  
President  
National Association of Postal Supervisors  
1727 King Street, Suite 400  
Alexandria, VA 22314-2753

Dear Mr. Butts:

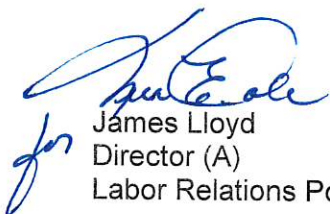

This is in reference to the May 26 general interest notification letter that was sent to you relating to the expansion of zip code locations in the Sunday Hub delivery operations.

You were advised that the Sunday Hub delivery operations would be expanded by 2,393 zip codes across the nation and that the expansion would be implemented in four phases. Initially, the plan for the first three phases was to consist of 784 zip codes aligned with existing hubs across the country. However, we have reduced the number of zip locations to reflect 528.

We have enclosed a list of the 528 Sunday Hub delivery zip code locations.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "James Lloyd".

Director (A)
