

Leadership Essentials

“Do not follow where
the path may lead.
Go instead where there is no path
and leave a trail.”

People don't want to be managed.
They want to be led.
Whoever heard of a world manager?
World leader, yes.
Educational leader.
Political leader.
Religious leader.
Labor leader.
Business leader.
They all lead.
They don't manage.
If you want to manage somebody,
manage yourself.
Do that well,
and you will be ready to stop managing
and start leading.

Thank You!
