Dear Mr. Butts:

As a matter of general interest, on July 1, 2022, the Postal Service is planning a ZIP Code™ change. This change is intended to help the Postal Service provide effective, efficient service to the customers in the impacted area. By realigning the ZIP Code boundaries, the existing ZIP Codes can accommodate area growth while enhancing operational efficiencies.

The impacted ZIP Code is for Tempe Arizona – Apache Station. The current ZIP Code is 85281 and the New Boundary ZIP Code will be 85288 (see attached spreadsheet).

In addition, this ZIP Code change will be posted in the June 2, 2022, Postal Bulletin, Issue 22599, Post Office Changes section. Also, in mid-May 2022, the ZIP Code will be posted on the PostalPro website at the following URL:

<https://postalpro.usps.com/address-quality/zipsplit>

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,
