Mr. Ivan Butts
President
National Association of Postal Supervisors
1727 King Street, Suite 400
Alexandria, VA 22314-2753

Dear Ivan:

As a matter of general interest and as follow-up to our October 19, 2023 correspondence (attached), the Postal Service will expand the pilot locations for the *Applicant Tracking System (ATS)*, in February 2024. The pilot will be expanded to facilities in the following Divisions:

- Pacific NW Processing
- Southern Cal Processing
- Western Processing

The ATS Pilot remains limited to Mail Handler Assistant (MHA) candidates.

The *Applicant Tracking System* is utilized by Human Resources to enhance our hiring efforts to help meet the needs of our ever-growing workforce. The ATS Pilot is in alignment with Delivering for America.

Attached is a listing of the installations included in the ATS Pilot expansion.

Please contact Tomica Duplessis at extension 3073 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "B. Nicholson", written over the word "Sincerely,".
