Dear Brian:

This is in further reference to our December 5 notice concerning conclusion of the Amazon Fresh market test and an agreement with Amazon to continue a modified version of this offering titled *Customized Delivery Fresh*.

We have enclosed a document that identifies additional changes to the service and the effective dates.

We will continue to collect and return empty Amazon Fresh Market totes for 10 days after the discontinuation of this service.

Please contact Bruce Nicholson 7773 if you have questions concerning this matter.

Sincerely,
