

Executive Board,

At the 2016 NAPS National Convention Resolution #34 was passed by the convention delegates with the following resolves:

**Resolution #34**

**RESOLVED**, That NAPS establish a “Whistleblower Hotline” that will allow supervisors to anonymously report violations and/or their concerns, and be it finally

**RESOLVED**, That each employee be assigned a unique number until their names are required by the OIG.

**NAPS Action:**

Currently, postal employees may contact the OIG at <http://www.uspsoig.gov> to report fraud and abuse. The OIG Hotline receives information from Postal Service employees, customers, and the general public. It is an important avenue for reporting fraud, waste, and misconduct. The OIG reviews the information received to identify systemic and criminal issues and potential areas for postal-wide reviews.

Per the OIG, with respect to alleged violations of the FLSA, that is something that is primarily within the jurisdiction of the Department of Labor to investigate (wage and overtime violations, etc.). Employees, including supervisors, can file complaints with DOL, at <https://www.dol.gov/whd/howtofilecomplaint.htm> .

NAPS headquarters reviewed the feasibility of implementing a “Whistleblower Hotline”. In coordination with the OIG, to reduce redundancy, ensure NAPS member’s anonymity is maintained per Resolution 34 and to expedite the reporting of alleged violations of law or misconduct, the following link will constitute a Whistleblower Hotline in accordance with Resolution 34.”
