Dear NAPS Members,

Hurricane Harvey has wreaked havoc on the state of Texas and its aftermath on Louisiana. On behalf of all NAPS members, the NAPS Resident Officers and your entire Executive Board sends their thoughts and prayers to all who have been impacted by this terrible natural disaster, including those in our postal family. Hurricane Harvey was the most powerful hurricane to strike Texas in more than 50 years. It lingered around Texas' Gulf Coast, where it drenched parts of the region with a year's worth of rain in the span of a week. NAPS cannot linger without taking action to help our fellow NAPS members and those of our postal family.

Therefore, your NAPS Executive Board has voted unanimously to make a special one-time Postal Employee Relief Fund (PERF) donation of \$10,000 within the next two weeks to support those postal employees impacted by Hurricane Harvey. When one member is impacted by a natural disaster, we all are, because we are the NAPS family.

I want to thank our Executive Board for their vote to support PERF with this special donation to help those impacted by Hurricane Harvey. More importantly, I thank the membership for their understanding and generosity to help those in need during such a disaster. Please keep our NAPS members, postal family and others who were impacted by Hurricane Harvey in your thoughts and prayers.

Sincerely,

Brian J. Wagner
NAPS National President
