Mr. Brian J. Wagner  
President  
National Association of Postal Supervisors  
1727 King Street, Suite 400  
Alexandria, VA 22314-2753

Dear Brian:

As a matter of general interest, the United States Office of Personnel Management (OPM) has informed the Postal Service that it intends to modify certain language in its Federal Employees Health Benefits Program (FEHB) plan brochures.

According to information provided by OPM, the back covers of the plan brochures will be modified to remove premium rates for our bargaining unit employees. Individuals will instead be directed to a Postal Service website that lists the subject rates.

It is our understanding this change is being made in an effort to streamline publication of the subject plan brochures and allow the Postal Service to provide information concerning FEHB contribution rates for its employees in a more detailed fashion.

OPM has provided us the design it intends to use for the redesigned plan brochure back cover. We have enclosed a copy for your reference.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Alan S. Moore".
