Dear Brian:

As a matter of general interest, the Postal Service intends to establish dual casing (2 in 1 casing) in certain delivery units in each Area.

Under this initiative, a single carrier case will be used to case two routes each day. Accordingly, the starting times of some carriers using the subject cases will be changed.

The initiative is scheduled to begin February 3 at the locations listed on the enclosure.

If you have any questions concerning this matter, please contact Bruce Nicholson at extension 7773.

Sincerely,

A handwritten signature in black ink, appearing to read "Alan S. Moore".
