Alexandria, VA 22314-2753

Dear Brian:

This is in further reference to our October 16, 2016, notice concerning the new parcel sorter machine - Automated Delivery Unit Sorter (ADUS).

The Postal Service plans to deploy production ADUS machines nationally, beginning with the sixteen locations indicated on the enclosure.

The deployment is tentatively scheduled to begin the week of July 23, with the last site scheduled for early November. The installation and acceptance testing will take approximately four weeks for each machine. Live mail will be used during acceptance testing.

A list of the small plants and delivery units with the ZIP Codes that will be covered in this rollout is enclosed.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Alan S. Moore".
