Dear Brian:

After carefully considering the relevant factors under Article 32 of the National Agreement, the Postal Service has made the decision to continue contracting with a third-party to provide Mail Transport Equipment (MTE) processing services in four (4) sites. The 4 sites are as follows:

Jacksonville, Florida
Dallas, Texas
Des Moines, Iowa
Milwaukee, Wisconsin

The outsourcing of this work in these facilities will ensure adequate supplies of high-quality MTE are ready for rapid deployment to customers and postal facilities. It will also allow Postal Headquarters to continue to maintain a single national network that continuously balances MTE inventories within and between all Postal Service Areas effectively and efficiently. No significant impact to the bargaining unit is anticipated.

If there are any questions or concerns regarding this program, please contact Dion Mealy of the Headquarters APWU Contract Administration staff at (202) 268-6861.

Sincerely,

A handwritten signature in black ink, appearing to read "David E. Mills".
