Dear Brian:

After carefully considering the relevant factors under Article 32 of the National Agreement, the Postal Service has made the decision to continue contracting with a third-party to operate Surface Transfer Centers (STC's) in four (4) sites. The 4 sites are in the following locations:

Indianapolis, Indiana
Memphis, Tennessee
Dallas, Texas
Salt Lake City, Utah

The outsourcing of this work in these facilities will ensure continuity of the STC network by optimizing the consolidation of mail and maximizing available transportation between final destination points. No significant impact to the bargaining unit is anticipated.

If there are any questions or concerns regarding this program, please contact Dion Mealy of the Headquarters APWU Contract Administration staff at (202) 268-6861.

Sincerely,

A handwritten signature in black ink, appearing to read "David E. Mills".
