 Supervisors

Dear Brian:

The Postal Service proposes revision of the New Supervisor Program (NSP). The purpose of this revision is to ensure the program provides the greatest value to our organization, and meets the needs of new and aspiring supervisors.

The Postal Service, in accordance with Title 39 U.S. Code §1004, invites NAPS to participate in the development of specific strategies in order to expedite the process of developing a final product within the parameters of the consultation process.

Learning and Development is conducting focus groups comprised of Subject Matter Experts (SMEs) at the William F. Bolger Center in Potomac, Maryland, February 20-27, 2018, from 8AM – 5PM. Below are the targeted employees for each day's focus group:

Date	Employee Group	Focus Group
Tuesday, February 20	Supervisors	Customer Service Operations
Wednesday, February 21	Supervisors	Processing Distribution Operations
Thursday, February 22	Supervisors	Maintenance Operations
Friday, February 23	Supervisors	Vehicle Maintenance Operations
Monday, February 26	Managers	NSP Curriculum
Tuesday, February 27	HQ Employees	NSP Curriculum

We are requesting your assistance in identifying a NAPS representative who demonstrates exemplary performance for each corresponding focus group to participate in that day's session. Ideally the SMEs are prior NSP participants.

Please contact Henry Bear at extension 2324 as soon as possible to discuss a list of NAPS participants and their accommodations regarding this effort.

Sincerely,

Bruce A. Nicholson
