Brian J. Wagner
President
National Association of Postal
Supervisors
1727 King Street, Suite 400
Alexandria, VA 22305-2600

Dear Brian:

As a matter of information, the Postal Service plans to update specific job criteria information to the Job Descriptions Online (JD Online) tool.

The JD Online tool includes a "Criteria" tab for every job, however this feature remains underutilized on the site. The tool allows the Postal Service to update specific job criteria among the job description for non-bargaining jobs. While the established criteria of each job will not be changed, this additional description of the criteria will be more specific and accurate.

Criteria will be updated for jobs as they are reviewed and verified. The Postal Service anticipates to update the first group of jobs by June and completion of the project by the end of the fiscal year.

Enclosed, you will find a list of EAS jobs that will be included in the first update.

Please contact Phong Quang at extension 2857 if you have questions concerning this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Bruce A. Nicholson".

Bruce A. Nicholson
Manager
Labor Relations Policy Administration
