September 8, 2020

Mr. Brian J. Wagner
President
National Association of Postal
Supervisors
1727 King Street, Suite 400
Alexandria, VA 22314-2753

Dear Brian,

As a matter of information, the 114th class of the Advanced Leadership Program intends to send an electronic message to all non-bargaining employees and request feedback on the Postal Service's *Development Plan*, a tool that can be utilized by employees as part of their career development. This feedback will be used to measure the effectiveness of *Development Plan*, help identify potential improvements, and make enhancements to it.

Employees will be solicited to complete a short 3 minute survey on their experiences on the Postal Service's *Development Plan* and feedback regarding it. Participation in this survey is voluntary and responses will remain anonymous.

Please contact me at extension 7773 if you have any questions concerning this matter.

Sincerely,
