Dear Brian:

This is in further reference to the Postal Service's April 20 and June 3 correspondence (copies enclosed) concerning the discontinuance and dismantling of Flat Sequencing Sorting (FSS) machines in mail processing facilities across the country. The discontinued/dismantled machines will be replaced with package sorting equipment or a manual package sorting operation.

Below is a list of additional facilities where FSS machines will be removed, along with the tentative date each machine will be fully removed from its facility and the type of equipment or operation the machine will be replaced with:

Mail Processing Facility	Tentative Removal Date	Planned Package Sortation Equipment/Operation
Kansas City, MO P&DC*	August 2021	Manual Operation
Margaret L. Sellers, CA P&DC	October 2021	Manual Operation
Moreno Valley, CA P&DC	November 2021	Manual Operation

\*Please note, the Postal Service intends to remove two FSS machines from this facility.

Please contact Mike Faber at 215-432-0613 if you have any questions concerning this matter.

Sincerely,

Shannon R. Richardson  
Director  
Contract Administration (APWU)
