Board Memo 007-19 – Board Mail Distribution Change

Over the past several months, NAPS has been sending out Board Mail twice a week—Mondays and Thursdays. Effective Monday, April 1, 2019, NAPS HQ is returning to its original practice of sending out Board Mail once a week.

Board Mail received at NAPS HQ the prior week will be sent out on the following Monday. However, NAPS will be posting on the NAPS website, board mail received daily. This will allow members to view board mail prior to Monday's distribution.

Furthermore, any Board Mail deemed time sensitive will go out as a Board Memo to the Executive Board for dissemination to your respective membership. Correspondence sent out in a Board Memo will also be posted on the NAPS website and will be included in the Monday's Board Mail.

Thank you.
