Board Memo 008-2025: Final Update on Wildfires in California

Executive Board,

NAPS headquarters has received a final update on the wildfires currently affecting California as of today, January 21st.

Situation:

National Preparedness is continues to monitor active wildfires across three (3) districts (California 3, 4, and 5) – to include Air Quality via EPAs Airnow.gov.

The response for the fires has transitioned to recovery. All remaining issues are being handled through the WestPAC Area and California Districts (3, 4, & 5) with support from Headquarters functions as needed.

This will be the last HQ Summary Situation Report (SITREP) for this event. If something significant arises, we will update you.

Wildfires:

1. Palisades Fire is 19,978 acres – 63% contained (Impacting California 3, 5 Districts)
2. Eaton Fire is 13,956 acres – 89% contained (Impacting California 3, 4 District)

People (*no changes*):

- All employees remain safe and accounted for.
- Forty-seven (47) employees in three (3) districts and one division (California 3 – 0; California 4 – 12; California 5 – 31; and the Southern Cal – 4) have been evacuated from their homes due to the wildfire.
- Sixteen (16) employees in three districts and one division (California 3 – 2; California 4 – 8; California 5 – 5; and Southern Cal – 2) have lost their homes.

Property:

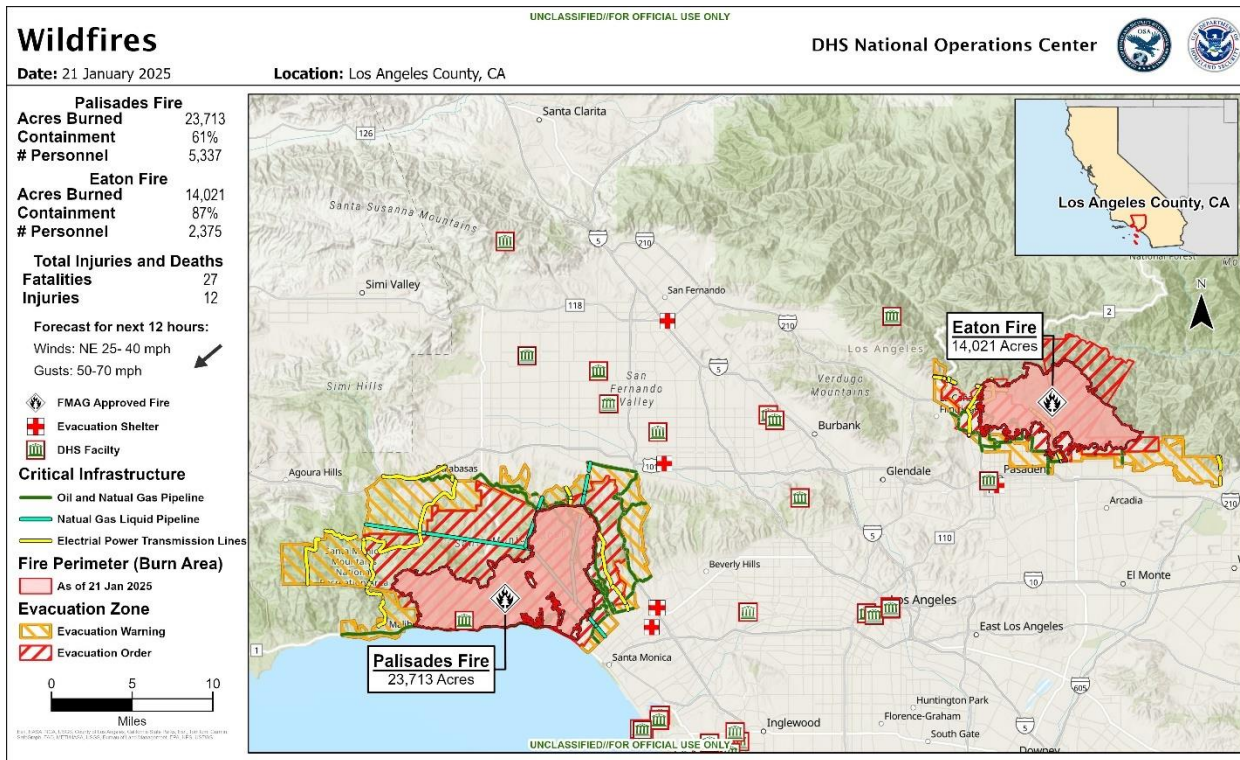

- Five (5) Offices in 2 districts (California 4 – 1 (including Altadena); and California 5 – 4) remain closed due to evacuation orders and road closures.
- Fifteen (15) offices in the California 6 District are without power (pre-emptive power shut down by power utility).

Product (*no changes*):

- Delivery impacts due to evacuation orders and road closures will be reported in Delivery Condition Visualization and Operational Impact Systems.

Communications:

- HQ/Area/Division/District Leadership are engaged.
- Industry Alerts have been posted and will be kept current.
- Unions and Management Associations are being briefed.
- National Preparedness
