Board Memo 021-2021: USPS Unveils 10-Year Plan to Achieve Financial Sustainability and Service Excellence

Executive Board,

Attached is a copy of the USPS 10-year Plan that the Postal Service shared with NAPS. The USPS 10-year Plan aims to meet or exceed 95 percent network-wide, on-time delivery. USPS expects to operate at break-even by FY2023 avoiding \$160 billion in projected losses over the next 10 years.

Please share the attached USPS 10-Year Plan with your membership. The attached will also be posted on the NAPS website.

Thank you and continue to stay and be safe.
