Board Memo 021-2023: EAS Carry Survey WTD Overview Update

Executive Board,

NAPS HQ continues to request, receive, and monitor the EAS work hours that are being reported on the survey in conjunction with the NAPS negotiated memorandum that all exempt Postmasters level 22 and below and all exempt Station Managers of Customer Service be entitled to additional pay should the need arise where they are required to deliver mail. As a reminder, this data can serve to validate the mandate that EAS deliver mail in violation of the CBA as well as support the request for additional pay for work hours used for the **“delivery of mail.”**

NAPS is receiving weekly updates on this data. The last results were shared in Board Memo 019-2023 (March 25, 2023). Attached are the most recent survey results.

Due to counter concerns received during the 2023 LTS townhall and Executive Board meeting, NAPS has rescinded its request for an extension of this memorandum. NAPS has received notification from the USPS that their intent is to continue the current memorandum that affords otherwise FLSA exempt EAS to be compensated for work hours used to deliver mail in violation of the CBA for the next quarter.

Please share this information with your membership.

Thank you, and be safe.
