### **Board Memo 027-19: NAPS & USPS Factfinding Pre & Post Hearing Briefs/NAPS Rebuttal**

Executive Board,

As you are aware, NAPS has shared with the membership the April 30, 2019 FMCS Factfinding Report and copy of our July 26, 2019 lawsuit against the USPS on EAS pay and representation. These documents were also posted on the NAPS website under our Forms and Documents section for all members to view.

To help members further understand NAPS's position on our quest to achieve a fair and equitable USPS EAS pay system that includes addressing the "seriously flawed" PFP system, we are now sharing NAPS's pre- and post-hearing factfinding briefs, including NAPS's rebuttal (see attached). We are also sharing the respective USPS briefs so members have an understanding the USPS's position on EAS pay. We will post these briefs and NAPS's rebuttal on the NAPS website under the Forms & Documents section.

Please share this message and the attachments with your members.

Thank you.

Brian J. Wagner  
NAPS National President
