Board Memo 039-19 – USPS FY2020 NPA Update- NAPS & USPS Responses

Executive Board,

Attached, please find correspondence between the U.S. Postal Service and NAPS regarding the FY2020 National Performance Assessment (NPA) process. NAPS has elected not to participate or provide recommendations to the USPS FY2020 NPA program for the respective reasons in our response. The Postal Service has decided to implement the FY2020 NPA Unit Indicators referenced in its November 25th correspondence to NAPS

If members wish to view the entire the FY2020 NPA Unit Indicators per the USPS November 25 correspondence that information is posted under the Bulletin Board section of the NAPS website (www.naps.org). See the respective correspondence under NAPS Correspondence/Mail received the week of November 25-30, 2019. Please share this information with your members.

Thank you.
