### **Board Memo 053-2025: Special Exempt Extended until January 23, 2026**

#### **Executive Board,**

NAPS HQ was notified today, September 17, 2025, that the USPS HQ has extended the original Agreement on Exempt Managers & Postmasters Delivering Mail. Under the agreement, exempt Postmasters Level 22 and below and all exempt Station Managers of Customer Service are entitled to additional pay should the need arises where they are required to deliver mail. The USPS has extended the special exemption until January 23, 2026.

As previously suggested, NAPS HQ strongly encourages all EAS that are performing craft work to properly record these hours in RADAR. This is your validation for the need to be paid.

Please share this information with your membership.

Thank you, and be safe.
