Board Memo 113-2024: Storm Surge Maps for Hurricane Debby

Executive Board,

NAPS headquarters has received information below from the USPS regarding Hurricane Debby.

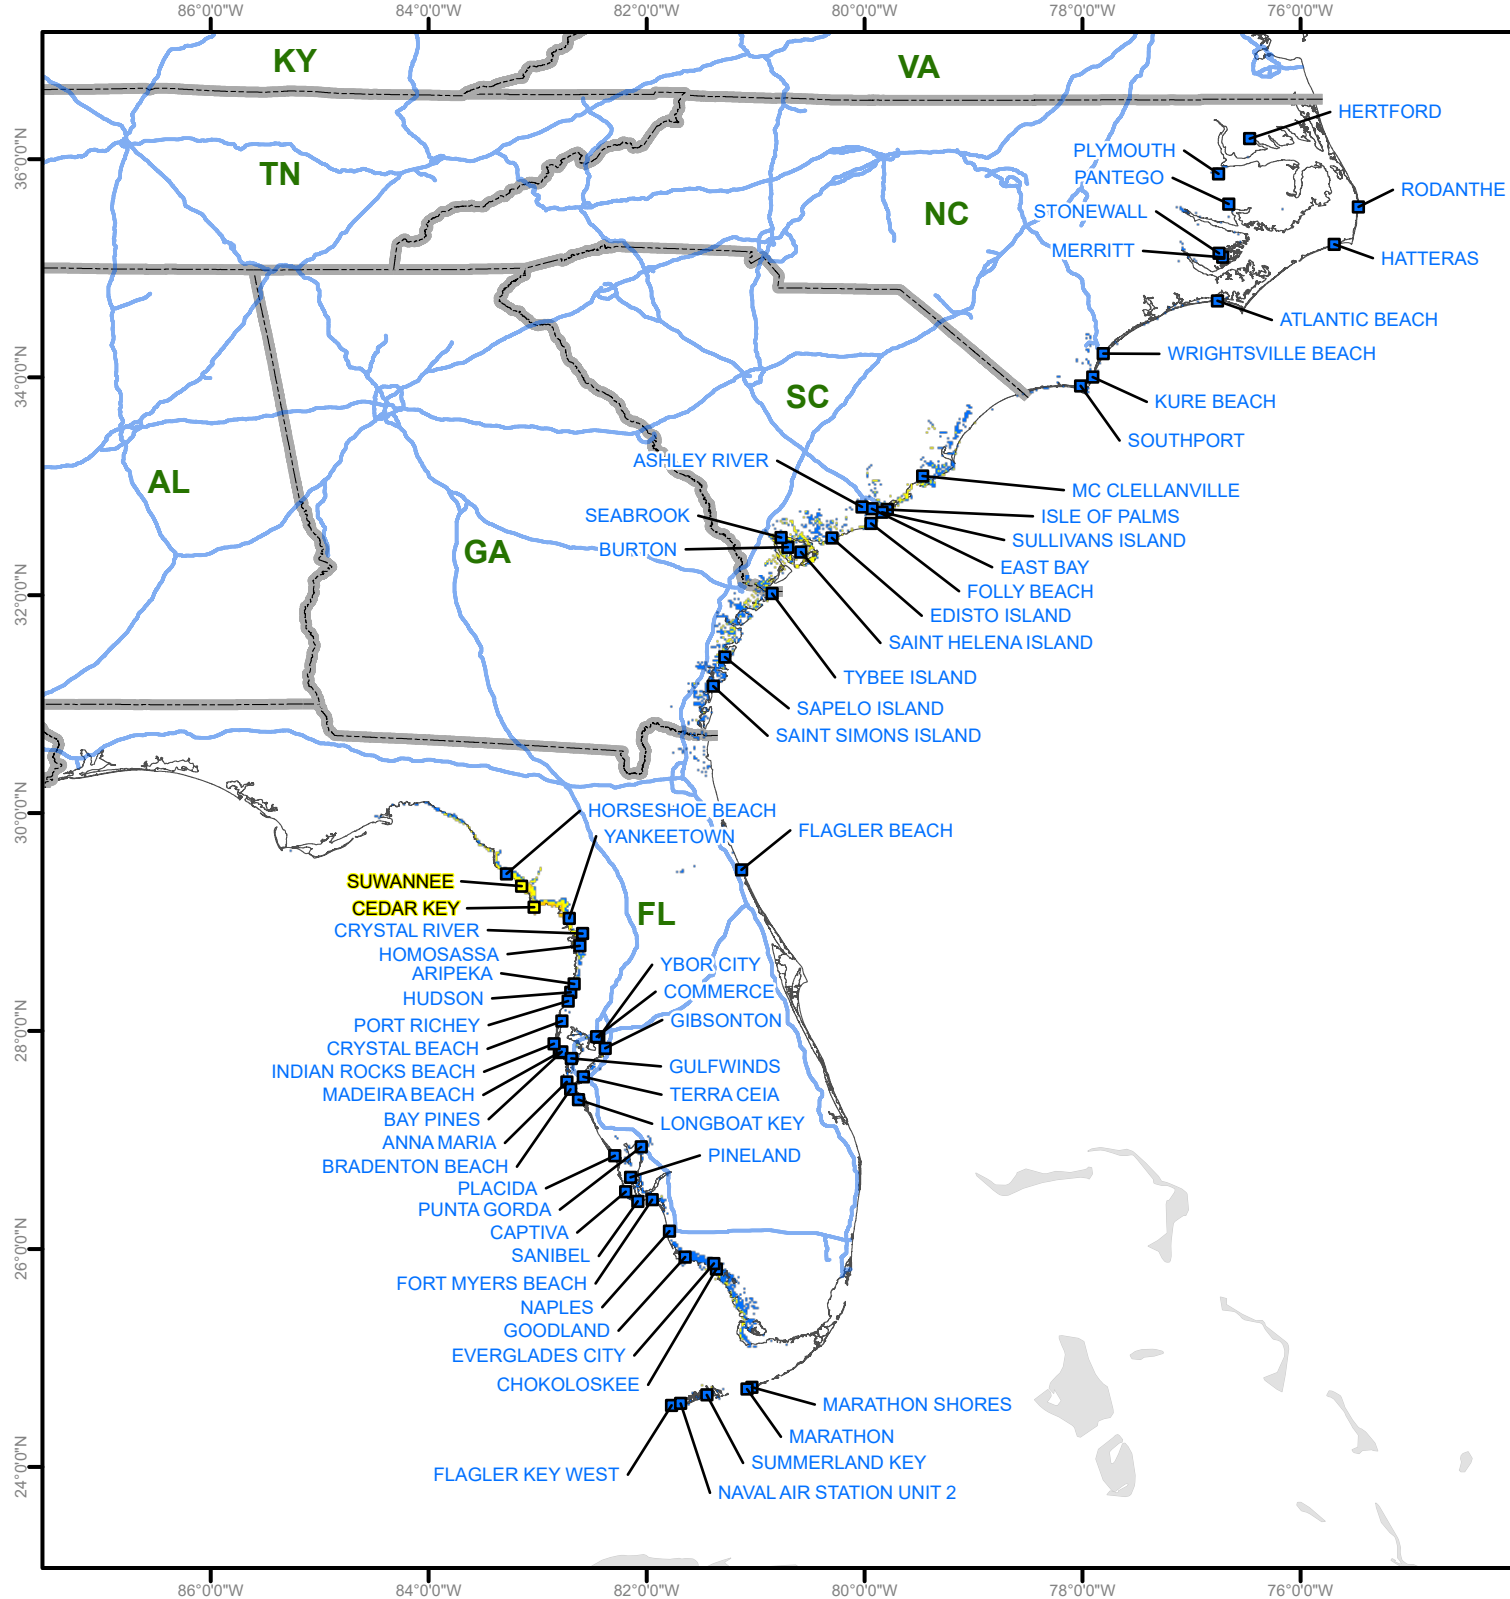

The storm surge maps based on the 5 AM National Hurricane Center (NHC) for Hurricane Debby. The timing of the storm surge would be just ahead of, and at landfall. Please note the NHC surge analysis does not include flooding from rainfall.

Surge Inundation Map - identifies Post Offices with high probability of surge flooding of 1' or more, potentially caused by Hurricane Debby. Corresponding excel file lists 61 postal facilities.

Please share this information with your membership.

Thank you, and be safe.
