Board Memo 118-2023: Hurricane Lee Impacting Atlantic Area

Executive Board,

NAPS has received an update on Hurricane Lee that impacted the Atlantic Area this past weekend. Please see below.

Situation:

- Hurricane Lee made landfall in far western Nova Scotia, Canada yesterday evening.
- Recovery efforts in Maine continue.

People:

- All employees have been accounted for.
- No injuries have been reported.

Property:

- One (1) office in the Maine-New Hampshire-Vermont District reported a flooded basement.
- One (1) vehicle sustained damages from a falling tree.
- Thirty-three (33) offices in the Maine-Hew Hampshire-Vermont District are without power. Grid power restoration is anticipated to be complete tomorrow.

Product:

- Five (5) offices in the Maine-Hew Hampshire-Vermont District were unable to open.
- Normal operations anticipated for Monday pending ferry and air transportation to the islands.
- Fifteen (15) offices in the Maine-Hew Hampshire-Vermont District had missed deliveries due to closed roadways.

Communications:

- Unions and Management Associations have been briefed.
- Area/Region; District and Division leadership.

Thank you, and be safe.
