November 14, 2024

### **Board Memo 172-2024: Health Issues at Bedford Park LPC**

#### **Executive Board,**

NAPS headquarters has been informed by the USPS of two employees at the Bedford Park LPC testing positive for Legionnaires disease on November 13<sup>th</sup>. The Public Health department arrived at the facility today and performed several tests. The USPS will provide NAPS with their findings asap.

Please share this information with your membership.

Thank you and be safe.
