Board Memo 183-2024: Health Insurance Open Season Extended to December 13th

Executive Board,

NAPS headquarters has received notice that the Office of Personnel Management (OPM) has officially extended Open Season for PSHB participants until **December 13, 2024**. This extension will provide additional time to review plans and make changes.

Please note that Open Season for participants in the Federal Employees Health Benefits program and other federal benefits programs still closes on the original December 9th deadline.

Please share with your membership.

Thank you and be safe.
