Alexandria, VA 22314-2753

Dear Mr. Wagner:

As a matter of general interest, the Chief Information Officer (CIO) organization is undergoing a realignment of work and resources. Subsequently, a new finance number structure has been created and established based on the physical location of the executive over each of the functions. Due to this change in the finance number structure, approximately 350 IT bargaining positions will receive a new administrative finance number.

IT employees will have no change to tenure, job role, physical location or duty station. This change will not impact bargaining unit employees or modify installations or bid clusters. However, employees may receive a new PS Form 50, *Notice of Personnel Action*, denoting a new finance number.

Implementation for this initiative is scheduled to occur during the month of May.

Please contact Bruce Nicholson at extension 7773 if you have any questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "David E. Mills".
