Golf Tournament Rules and Regulations

Format: Two-Person Modified Best Ball (Captain's Choice)

Men will hit from the White Tees, Ladies will hit from the Red Tees.

The team must use at least one drive from each player on each side (nine holes per side).

After both players tee off, the team will select which of the two tee shots will be used for the next shot. Then each player will hit his/her next shot from the selected spot. This process will continue until the hole is completed. The hole is considered complete when either the ball has fallen into the hole or the team has reached double par (i.e. 6 on Par 3, 8 on Par 4, 10 on Par 5), whichever is accomplished first.

No "mulligans" are allowed.

When in the Fairway, the team is allowed to move the selected ball no more than one club length sideways or backwards but no closer to the hole. Also, Lift, Clean, and Place rules are in effect.

Out-Of-Bounds will be treated as a lateral hazard. The team will be assessed a one stroke penalty and the ball can be dropped anywhere along the path of the ball flight. Hitting OB off the tee will not require the golfer to return to the tee box.

Balls can be played from a hazard without penalty as long as the golfer does not ground the club in the hazard prior to hitting the ball.

If a ball lands on the cart path, the golfer must drop the ball on the grassy area closest to where the ball landed within two (2) club lengths.

"Gimme" putts can only be called by the opposing team in the group. If the opposing team does not concede the "Gimme" putt, then the team must putt out.

Lowest Team score wins

Ball must land in the fairway for it to be considered for longest drive.

Four of the 5 Par 3's will be used for closest to the pin. The longest Par 3 will not be used.

HAVE FUN, IT'S ONLY A GAME!!!
