LABOR RELATIONS

November 19, 2021

Mr. Ivan Butts  
President  
National Association of Postal  
Supervisors  
1727 King Street, Suite 400  
Alexandria, VA 22314-2753

Dear Mr. Butts:

As a matter of general interest, the Commuter Program (Commuter Benefits Solutions) has added a new commuting benefit option.

The Commuter Benefits Program allows Postal Service employees to pay for qualified commuting costs using pre-tax money. Effective immediately, the newly added option will allow employees to use their prepaid card interchangeably for both transit and parking orders.

Up to \$270.00 of unused funds from any prior benefit month will be carried over each month to be used for transit or parking expenses. If an employee is not currently using a prepaid card, they can change their order to take advantage of this feature.

More information about this change can be found at the link below:

<https://liteblue.usps.gov/humanresources/benefits/elections/anytimeelections.shtml?#commuterprogram>

We have enclosed a copy of the article scheduled to be published in the USPS News Link on November 23<sup>rd</sup>.

Please contact Bruce Nicholson at extension 7773 if you have any questions concerning this matter.

Sincerely,

A handwritten signature in blue ink that reads "David E. Mills".

David E. Mills  
Director  
Labor Relations Policies and Programs

Enclosure

**LINK Article: Commuter Benefits: More Options**

If you are using the prepaid card with the Commuter Program, it can now be used interchangeably for both transit and parking orders. You can use the accrued transit balance to pay for parking or accrued balances to pay for eligible transit expenses.

This feature is only available for the prepaid card. If you are not currently using the prepaid card, you can change your order to take advantage of this feature.

\$270 of unused funds from any prior benefit month will be carried over each month to be used on transit or parking expenses.

For more information or questions regarding the [Commuter Program Page](#) on LiteBlue® or contact the [Wellness](#) team.
