Alexandria, VA 22314-2753

Dear Mr. Wagner:

This is in further reference to our August 18 notice concerning the Postal Service's intent to expand the LYTX video Technology testing.

Postal Service has canceled the LTYX test expansion and will be re-evaluating the use of different types of video and GPS technology designed to reduce collisions and assist with identifying driver risks and the cause of vehicle damage.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "David E. Mills".
