Mr. Brian J. Wagner  
President  
National Association of Postal Supervisors  
1727 King Street, Suite 400  
Alexandria, VA 22314-2753

Dear Brian:

As a matter of general interest, the Postal Service is revising Handbook AS-805, *Information Security*.

The subject revisions include updated information security policies concerning service continuity management, externally facing websites, and digital signatures and certificates.

We have enclosed an electronic disc containing two copies of the subject revisions, one with and one without changes identified.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Alan S. Moore".
