Dear Brian:

This is in further reference to the Postal Service's April 20 correspondence (copy enclosed) concerning the discontinuance and dismantling of Flat Sequencing Sorting (FSS) machines in mail processing facilities across the country. The discontinued/dismantled machines referenced below will be replaced with package sorting equipment or a manual package sorting operation.

Below is a list of additional facilities where FSS machines will be removed, along with the tentative date each machine will be fully removed from its facility and the type of equipment or operation the machine will be replaced with:

Mail Processing Facility	Tentative Removal Date	Planned Package Sortation Equipment/Operation
Middlesex Essex, MA P&DC	July 2021	ADUS
Anaheim, CA P&DC	July 2021	SPSS
Springfield, MA NDC	August 2021	Manual Operation
Denver, CO P&DC	August 2021	Manual Operation
Northwest Rochester, NY P&DC	September 2021	Manual Operation

Please contact Mike Faber at 215-432-0613 if you have any questions concerning this matter.

Sincerely,

Dear Brian:

As a matter of general interest, the Postal Service will discontinue and dismantle Flat Sequencing Sorting (FSS) machines in several mail processing facilities across the country. The discontinued/dismantled machines will be replaced with package sorting equipment.

Below is a list of facilities where FSS machines will be removed, along with the tentative date each machine will be fully removed from its facility and the type of package sortation equipment the machine will be replaced with:

Mail Processing Facility	Tentative Removal Date	Package Sortation Equipment
West Valley, AZ P&DC	05/28/2021	SPSS
Seminole, FL P&DC	07/16/2021	SPSS
Royal Palm, FL P&DC	08/31/2021	SPSS
Middlesex-Essex, MA P&DC	08/31/2021	ADUS
Dulles, VA P&DC	08/31/2021	ADUS

Enclosed are informational materials, including a stand-up talk, provided to the employees at the West Valley, AZ P&DC concerning the removal of the FSS machine at that facility.

Please contact Mike Faber at 215-432-0613 if you have any questions concerning this matter.

Sincerely,

Shannon R. Richardson
