Dear Ivan:

This is in further reference to the Postal Service's ongoing correspondence concerning the establishment of Sorting and Delivery Centers (S&DCs). The purpose of establishing S&DCs is to reduce transportation and mail handling costs as well as provide postal customers with additional services. S&DCs will allow for easier standardization and management of operations will have improved building and operating conditions for employees.

This notice is intended to provide you with information on new S&DC sites along with several sites that the Postal Service previously informed of it's removal or postponement but are now to be launched on February 22, 2025:
