LABOR RELATIONS

July 15, 2021

Mr. Brian J. Wagner
President
National Association of Postal Supervisors
1727 King Street, Suite 400
Alexandria, VA 22314-2753

faxed

Dear Brian:

As a matter of general interest, the Postal Service has determined the five (5) International Service Centers (ISC) will report into the Processing Divisions and will not report into the Vice President (VP) Processing and Maintenance Operations organization as originally intended on May 8, 2021. This change is a continuation of the PMG organizational change announcement on August 7, 2020.

The Manager, International Service Center will report to the Senior Director Division Processing Operations under the VP Regional Processing Operations. Employees will continue performing their current duties and work assignments. The official human resource and finance systems of record will be updated effective July 17, 2021.

Enclosed is a file depicting the reporting relationships for the five (5) ISCs.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "David E. Mills". Below the signature is a small, stylized blue mark that looks like the letters "for".
