Dear Brian:

As a matter of general interest, the Postal Service intends to test changing the method of delivery for the Maintenance Operations Support (MOS) training for bargaining unit employees and management personnel.

Prior to the National Center for Employee Development (NCED) temporarily closing due to the COVID-19 pandemic, the training was conducted on-site. The Postal Service will be testing conducting the training through virtual learning room (VLR).

The testing will be scheduled as follows:

- June 16-25 for management personnel
- July 7-23 for bargaining unit employees
- July 28-August 6 for management personnel
- August 18-September 3 for bargaining unit employees
- September 15-October 1 for bargaining unit employees

The training course objectives, length, and tests will not be modified to accommodate providing the training through VLR.

If successful, the training will continue to be provided through VLR and no longer offered for on-site training at NCED.

If there are any questions, please contact Shannon Richardson at extension 5842.

Sincerely,

  
Rickey R. Dean  
Manager  
Contract Administration (APWU)
