- ❖ All High Deductible Health Plans (HDHP) – Medicare Part B premiums are reimbursable under a Health Reimbursement Account (HRA).
 - ❖ Although an HRA is similar to an HSA, there are major differences:
 - An HRA does not earn interest.
 - An HRA is not portable if you leave the Federal government or switch to another plan.
 - ❖ By law, Health Savings Accounts (HSA) are available to members who are not enrolled in Medicare.
 - ❖ HRA credits vary annually by Plan.
