Director, Change Management

Introducing MyHR

MyHR is a new, modernized website equipping employees with easily accessible, centralized, and simplified human resources (HR) information and tools.

Benefits of MyHR

Simplifies HR information previously available on Blue and LiteBlue for a seamless user experience

Equips all USPS employees and retirees with easily accessible, personalized HR information

Improves the employee experience through consistent messaging and communications organization-wide

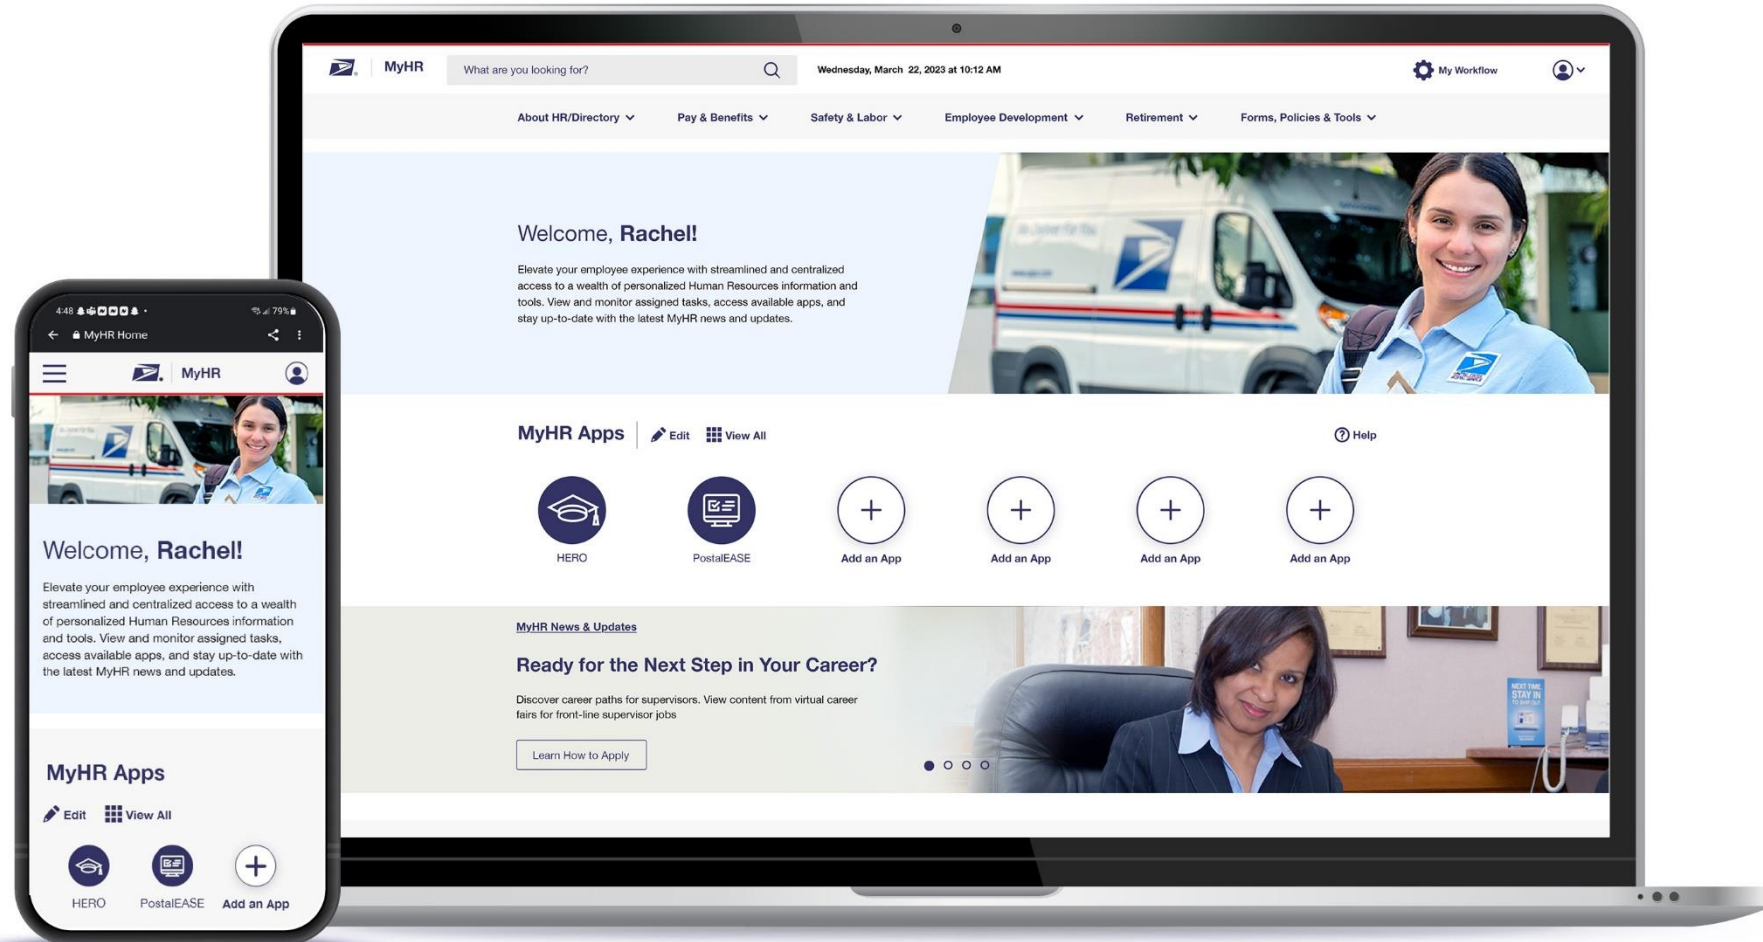

Modernizes website look and feel, enhances content searchability, and enables mobile access

What's Changing?

The new website will be available organization-wide, with new processes and tools for human resources.

-  **Centralized Human Resources Website**
All USPS employees will have access to HR-related information in a new, user-friendly website. Cornerstone OnDemand (CSOD) will be redesigned with an updated look and feel consistent with MyHR.
-  **Streamlined Customer Support & Feedback Tool**
A streamlined customer support option will efficiently address technical and non-technical questions. A modernized feedback tool will help HR improve content and website features.
-  **Removal of HR content from Blue and LiteBlue**
HR content, tools, and applications will be removed from Blue and LiteBlue and migrated to MyHR ensuring HR content, Topics, and tools are easy to find, understand, and use. District HR pages will also be removed.
-  **Removal of District HR Pages**
HR content on District pages will be removed to ensure a singular voice and tone for all HR content and Messaging.
-  **Dedicated MyHR Team**
A dedicated team will support content and technical changes ensuring HR-related information and tools are updated in a timely manner via a standard intake and update process.

New MyHR Website

Modified Cornerstone (CSOD) Pages

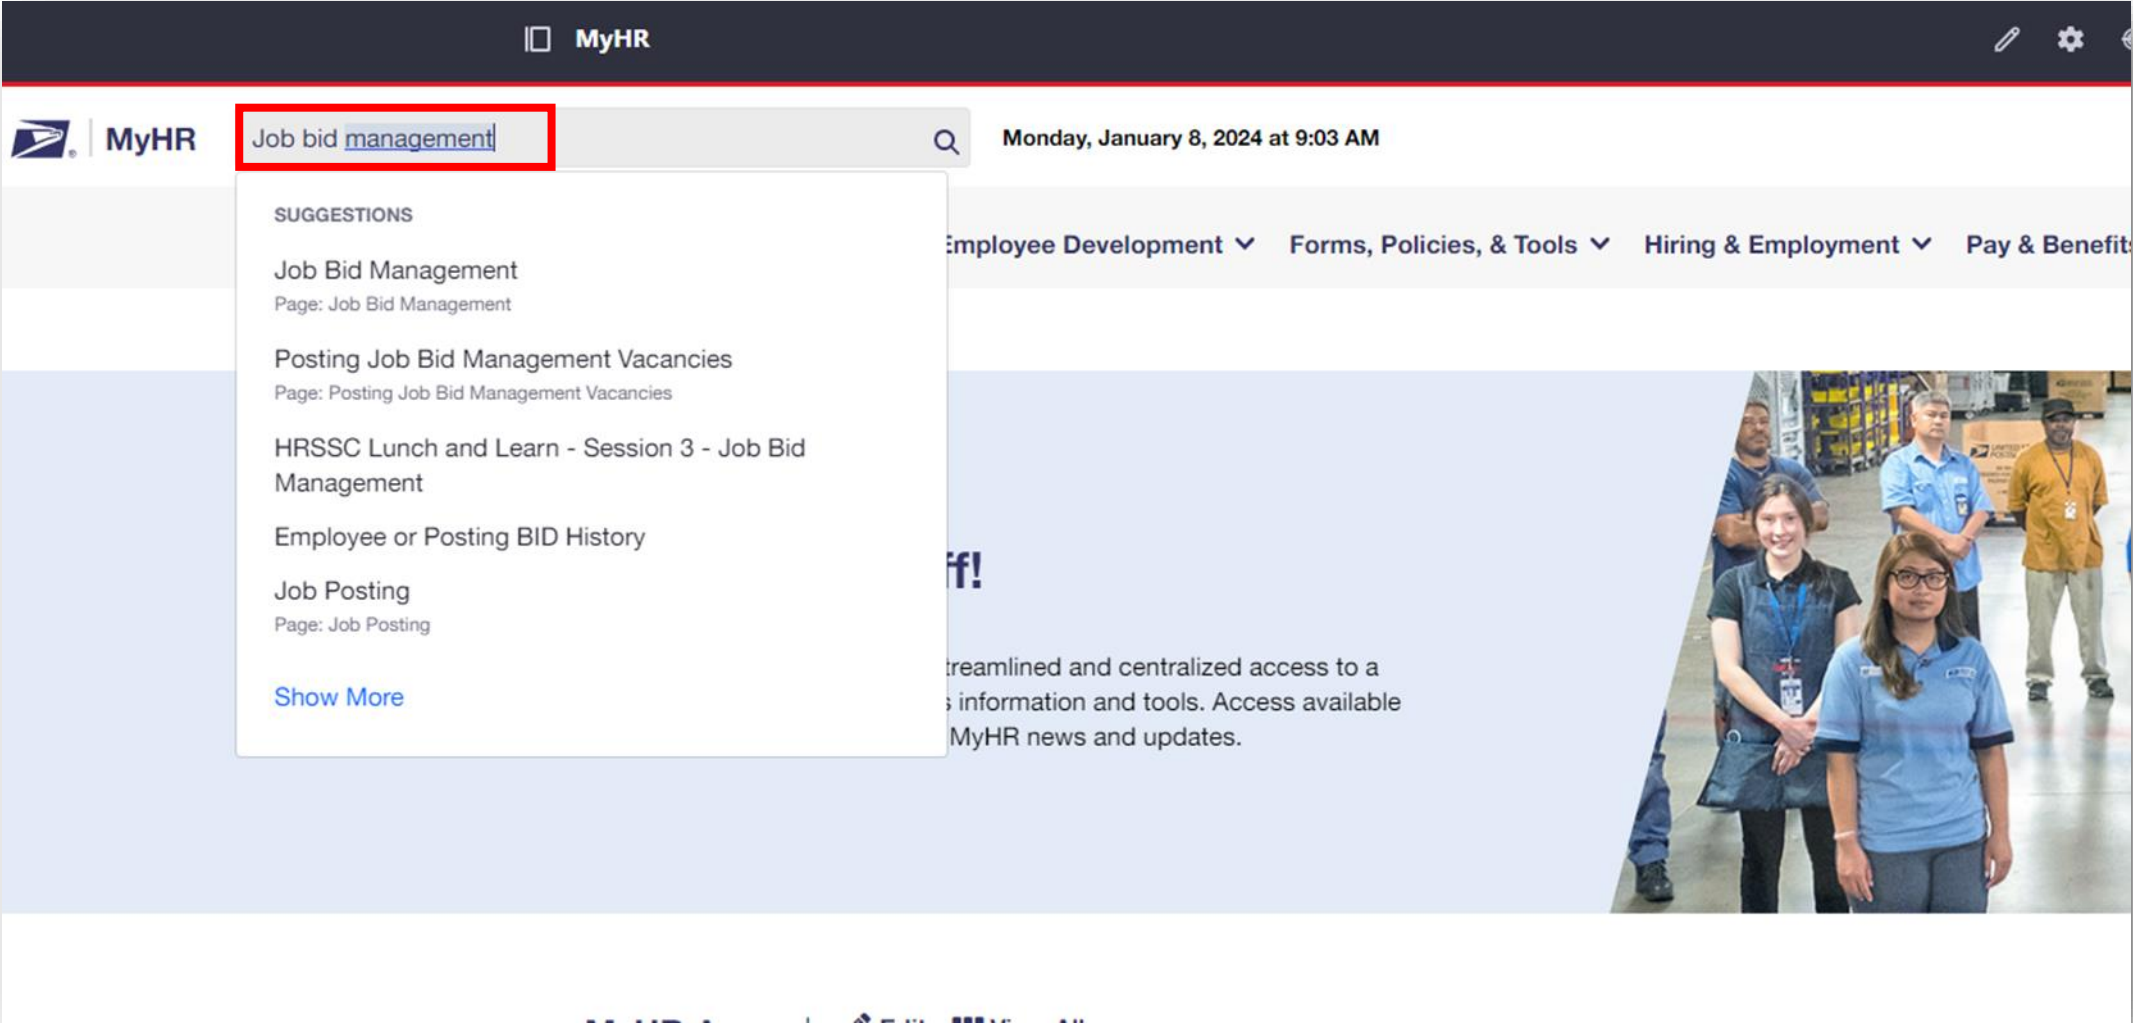

The screenshot displays the HERO user interface. At the top left is the United States Postal Service logo and the HERO brand name. A search bar and user profile icons are on the top right. A navigation menu includes Home, My Learning, Performance, Career Development, and Reports. The main content area features a welcome message for Rachel, a profile picture, and a 'My Profile' link. To the right is a 'your Actions' section with a checkmark icon and three items: 'Assigned Training' (3), 'Your HERO Tasks' (2), and 'Your Conversations' (2). Below this are four action cards: 'your Learning' (Grow. Learn. Develop.), 'your Development' (Own Your Career!), 'track your Performance' (Stay Productive), and 'visit HERO Support' (Find Support). The bottom section is titled 'Quick Links' and contains a dropdown menu.

Accessing My HR via LiteBlue

The screenshot shows the LiteBlue website interface. At the top, there is a navigation bar with the LiteBlue logo and tabs for Home, Apps, Inside USPS, and MyHR. A 'Sign off' link is visible in the top right corner. Below the navigation bar, there is a large banner with the text 'READY FOR THE NEXT STEP IN YOUR CAREER?' and three bullet points: 'DISCOVER CAREER PATHS FOR SUPERVISORS', 'REGISTER FOR A VIRTUAL SUPERVISOR JOB FAIR', and 'LEARN MORE ABOUT THE ROLE'. To the right of the banner is a 'LINK' section with a 'Subscribe' button and a news article titled 'Blasts of winter' with a sub-headline 'Storms across the nation this week brought blizzards, flooding, frigid air and even tornadoes'. Below the banner and news article, there are three main sections: 'Human Resources' with a 'MyHR' link highlighted in a red box and a 'Retiree' link; 'Featured Topics' with a 'LEADing Together' link and an 'Informed Delivery' link; and 'Employee Apps' with links for 'IM Barcode Generator', 'My Communications', 'Self-Service PIN Reset' (marked 'New'), 'Self-Service Profile' (marked 'New'), and 'Virtual timecard'. Below the 'Employee Apps' section, there is a note: 'Access these from any page using the Apps tab above.' To the right of the 'Employee Apps' section is the 'USPS Publications' section, which includes links for 'Latest issue', 'The Eagle archive', 'Delivering for America postcard archive', and 'Area and Regional Update newsletters' (with an 'Update archive' link).

Once employees sign-in to LiteBlue they will select the MyHR link to access the website

Accessing an HR Application – Search Feature

Accessing an HR Application – Drop Down

The screenshot displays the MyHR application interface. At the top, a navigation bar contains several menu items: 'About Human Resources', 'EEO Programs', 'Employee Development', 'Forms, Policies, & Tools', 'Hiring & Employment', 'Pay & Benefits', 'Retirement', and 'Safety & Labor'. The 'Hiring & Employment' menu is expanded, showing a dropdown menu with two columns of options. The 'Job Bid Management' option in the 'Hiring' column is highlighted with a red box. The main content area features a welcome message: 'Welcome, MyHR.Jeff!' followed by a paragraph: 'Elevate your employee experience with streamlined and centralized access to a wealth of personalized Human Resources information and tools. Access various HR apps, and stay up-to-date with the latest MyHR news and updates.' At the bottom left, there are links for 'MyHR Apps', 'Edit', and 'View All'. At the bottom right, there is a 'Help' link.
